Please see The Childs Family, The Foster Family, The Harris Family and The Bogert Family for additional details and information.

Many Branches Of A Family Tree will contain a chapter for each major family group as they are completed. To make it easier on the reader to find the exact reference they want, I have included the name of the family chapter before the page number. As individual chapters are completed, they will be placed on the Internet; if you are viewing an individual chapter, the index will contain only those names in the chapter but will still have the chapter name in front of the page number.
