

The Yale Family

In 1908 Rodney Horace Yale published *The Yales And Wales*, which contains information on the Yale Family back to approximately the year 850. His grandson, Donald Rodney Yale, published the second edition of *The Yales And Wales* sometime after 1980. There is a great deal of biographical text regarding the earlier ancestors of the Yales in the book published by The Yale Family: it is not my intention to copy that information into this chapter of *Many Branches Of A Family Tree*.

First Generation

1. John¹ Yale, son of David Lloyd Ap Ellis and Gwenwhyfar Lloyd, birth date unknown.

He married twice. He married Elizabeth Mostyn. Elizabeth is the daughter of Thomas Mostyn. He married Agnes Lloyd. Agnes is the daughter of John Lloyd.

Many Branches Of A Family Tree will contain a chapter for each major family group as they are completed. To make it easier on the reader to find the exact reference they want, I have included the name of the family chapter before the page number. As individual chapters are completed, they will be placed on the Internet; if you are viewing an individual chapter, the index will contain only those names in the chapter but will still have the chapter name in front of the page number.
